

Summer Camp — Richmond Junior Chess Club

Richmond Junior Chess Club

opens most Saturday afternoons, for budding masters from 5–18 years of age. All standards welcome, but space is limited.

Highlights:

- Over 20 hours of high quality chess coaching per week
- Tailored for each student's level of experience and ability, from beginners to national standard
- One dedicated coach per maximum of six students
- Time for structured learning about the game and for competitive play

Topics Covered:

- How to choose and develop an opening repertoire (modelled on your favourite grandmaster)
- Tactics master class (spot knock out blows and sidestep your opponent's)
- Endgames master class (master all the common basic endgames and convert your advantages with confidence)
- Strategy and planning (identify the basic features of a position and use them to formulate an effective plan)
- Learn from the champions (study games from the greatest, including Fischer, Karpov, Kasparov and Carlsen)
- Maximizing one's results (mental preparation, competitive psychology, tournament tactics, game preparation, clock handling, dealing with difficult positions, winning won positions)
- Tournament practise on Friday
